- d. grant award information from the country of origin;
- e. information of the prospective beneficiary; and
- f. a statement not to sell Horticultural Products;
- g. a stamped statement stating that the documents submitted are accurate and valid, in accordance with Form-3.

Article 14

Administrative requirements, as referred to in Article 10, for representatives of foreign countries/international institutions include:

- a. identity of leaders and/or representatives that have been assigned / put in charge;
- b. a statement [that product is] for internal needs and not intended for circulation; and
- c. a stamped statement stating that the documents submitted are accurate and valid, in accordance with Form-3.

Article 15

(1) Technical requirements, as referred to in Article 10, include:

- a. fresh Horticultural Products must comply with the Fresh Food of Plant Origin (PSAT) safety provisions, in accordance with the provisions of the laws and regulations;
 - b. fresh Horticultural Products that are imported for the first time from their country of origin, must be accompanied by an analysis result report on the risk of disease-carrying organisms on quarantined plants from the Agricultural Quarantine Agency;
 - c. a certificate of Good Agriculture Practices (GAP) or an equivalent certificate that is internationally recognized and still valid until the end of the import year;
 - d. a registration of the packing houses issued by the authorized agency from the country of origin that is still valid until the end of the import period conducted;
 - e. a statement from exporters of the country of origin concerning the production capacity of the registered or Good Agriculture Practices (GAP) certified garden / farm land; and
 - f. Horticultural Products that are imported meet specified characteristics.
- (2) The technical requirements, as referred to in paragraph (1) item c, item d, and item e, are to be translated into Indonesian by a sworn translator.
- (3) Further provisions regarding characteristics, as referred to in paragraph (1) item f, are determined by the Director General on behalf of the Minister in the form of a Ministerial Decree.

CHAPTER III RIPH ISSUANCE PROCEDURES

Article 16

- (1) Businesses, BUMN, social institutions, and/or representatives of foreign countries / international institutions, as referred to Article 4 paragraph (1), that will import Horticultural Products must submit an RIPH application online to the Director General through the Head of PVTTP.
- (2) The application, as referred to in paragraph (1), must at a minimum contain the following information:
 - a. name and address of the company;
 - b. name and address of the company's leader;
 - c. number and date of the application;
 - d. name of the Horticultural Product;

- e. tariff/HS code of Horticultural Product;
 - f. country of origin;
 - g. planned import volume;
 - h. planned Entry Point; and
 - i. planned import time.
- (3) The application, as referred to in paragraph (1), is completed with the administrative requirements and technical requirements, as referred to in Article 11 through Article 15.

Article 17

- (1) The application, as referred to in Article 16, uses:
- a. Form-4, RIPH application for fresh [products] for consumption; and
 - b. Form-5, RIPH application for fresh [products] for industrial raw materials.
- (2) Head of PVTTP Center, after receiving an application, as referred to in Article 16, in a period of no more than 3 (three) working days, checks the completeness of the documents' administrative requirements.

Article 18

If the results of the document examination of administrative requirements, as referred to in Article 17 paragraph (2), are:

- a. complete, it is delivered to the Director General, in accordance with Form-6; or
- b. incomplete, it is rejected online.

Article 19

- (1) Director General, after receiving an application, as referred to in Article 18 item a, verifies and validates technical requirements within a maximum period of 5 (five) working days.
- (2) If the verification and validation results, as referred to in paragraph (1):
- a. are in accordance with technical requirements, an RIPH is issued, in accordance with Form-11; or
 - b. are not in accordance with technical requirements, it is rejected.
- (3) RIPH that are issued, as referred to in paragraph (2) item a, are delivered to the Business and the Indonesia National Single Window (INSW) portal through the Head of the PVTTP Center.
- (4) Rejection, as referred to in paragraph (2) item b, is delivered online to the Business through the Head of the PVTTP Center, along with the rejection reason.
- (5) RIPH that are issued, as referred to in paragraph (3), are valid for 1 (one) calendar year, as long as they meet technical requirements, as referred to in Article 15 paragraph (1) item c and item d.

Article 20

- (1) In the event of unforeseeable circumstances (*force majeure*), Businesses, social institutions, or representatives of foreign / international institutions, as referred to in Article 4 paragraph (1), can submit the RIPH application offline.

- (2) An event of unforeseeable circumstances (*force majeure*), as described in paragraph (1), is an event that occurs outside of human capability and cannot be avoided so that an activity cannot be carried out.
- (3) An event of unforeseeable circumstances (*force majeure*), as described in paragraph (1), is declared via a statement letter from the Director General.

Article 21

- (1) RIPH, as referred to in Article 19 paragraph (5), is declared still valid if a Horticultural Product has been loaded on a means of transport from the country of origin no later than December 31 of the current year.
- (2) Loading onto a means of transport, as referred to in paragraph (1), is proven with:
 - a. *cargo manifest*; and
 - b. *Bill of Lading* (B/L) or *Air Way Bill* (AWB).
- (3) Horticultural Products, as referred to in paragraph (1) arrive in Indonesia no later than 60 (sixty) calendar days since being loaded onto a means of transport from the country of origin and is proven with an Imported Good Notification (PIB) document.

Article 22

- (1) Businesses that have obtained RIPH, as referred to in Article 19 paragraph (3), can make changes to [their] RIPH.
- (2) RIPH changes, as referred to in paragraph (1), are valid *mutatis mutandis*, in accordance with the provisions of Article 16 through Article 20.
- (3) RIPH that are amended, as referred to in paragraph (1), is declared still valid if the Horticultural Product is loaded on the means of transportation from the country of origin no later than the date of the new RIPH's issuance, proven with:
 - a. *cargo manifest*; and
 - b. *Bill of Lading* (B/L) or *Air Way Bill* (AWB).
- (4) Horticultural Products, as referred to in paragraph (1) arrive in Indonesia no later than 60 (sixty) calendar days since being loaded onto a means of transport from the country of origin and is proven with an Imported Good Notification (PIB) document.

Article 23

Form-1, Form-2, and Form-3, as referred to in Article 11, Form-4 and Form-5, as referred to in Article 17, Form-6, as referred to in Article 18, and Form-7 as referred to in Article 19, as contained in Appendix II, is an integral part of this Ministerial Regulation.

Article 24

Further provisions concerning RIPH issuance procedures, are in accordance with statutory provisions in the field of Integrated Business Licensing Online / *Online Single Submission* (OSS).

CHAPTER IV OBLIGATIONS OF BUSINESSES

Article 25

- (1) Businesses that receives an RIPH must submit the RIPH to the minister who conducts government affairs in the field of trade for the issuance of a Horticultural Product Import license no later than 2 (two) months from the RIPH's online issuance.
- (2) Businesses that do not submit RIPH, as referred to in paragraph (1), [that] RIPH is not valid.

Article 26

If there is a legal problem related to an RIPH's issuance, the RIPH application is not issued until a court decision that has permanent legal force.

CHAPTER V SANCTION PROVISIONS

Article 27

- (1) Businesses that violates the provisions as referred to in Article 9, are sanctioned in the form of not being issued an RIPH for a period of 1 (one) year.
- (2) Businesses that violates the provisions as referred to in Article 11 item e, are sanctioned in the form of not being issued an RIPH for a period of 1 (one) year and pulling Horticultural Products from circulation.
- (3) Businesses that violates the provisions as referred to in Article 11 item g, are sanctioned in the form of not being issued an RIPH for a period of 3 (three) years.
- (4) Social institutions that violate provisions as referred to in Article 13 item f, are sanctioned in the form of not being issued an RIPH for 2 (two) years and pulling Horticultural Products from circulation.
- (5) Social institutions that violate provisions as referred to in Article 13 item g, are sanctioned in the form of not being issued an RIPH for 3 (three) years.
- (6) Businesses that violates the provisions as referred to in Article 15 paragraph (1) item f, are sanctioned in the form of not being issued a RIPH for 2 (two) years.
- (7) Businesses that violates the provisions as referred to in Article 25 paragraph (1) twice in one year, are sanctioned in the form of not being issued an RIPH for 2 (two) years.

CHAPTER VI TRANSITIONAL PROVISIONS

Article 28

- (1) RIPH that have been issued before this Ministerial Regulation comes into force, remain valid until the RIPH's expiry.
- (2) RIPH applications submitted before this Ministerial Regulation comes into force are processed in accordance with the Regulation of the Minister of Agriculture Number 38/PERMENTAN/HR.060/11/2017 concerning Horticultural Product Import Recommendation, as amended by Regulation of the Minister of Agriculture Number 24/PERMENTAN/HR.060/11/2017 concerning Amendment to Regulation of the

Minister of Agriculture Number 38/PERMENTAN/HR.060/11/2017 concerning Horticultural Product Import Recommendation.

CHAPTER VII
CLOSING PROVISIONS

Article 29

At the time this Ministerial Regulation comes into force, Minister of Agriculture Number 38/PERMENTAN/HR.060/11/2017 concerning Horticultural Product Import Recommendation (State Gazette of the Republic of Indonesia Number Year 2017 Number 1674), as amended by Regulation of the Minister of Agriculture Number 24/PERMENTAN/HR.060/11/2017 concerning Amendment to Regulation of the Minister of Agriculture Number 38/PERMENTAN/HR.060/11/2017 concerning Horticultural Product Import Recommendation (State Gazette of the Republic of Indonesia Number Year 2018 Number 743) are revoked and declared invalid.

Article 30

This Ministerial Regulation shall go into effect on the date it is enacted.

So that it may be known to all men, it is ordered that this Regulation of the Minister of Agriculture be included in the State Gazette of the Republic of Indonesia.
