

**DECREE OF MINISTER OF RELIGIOUS AFFAIRS OF THE REPUBLIC OF  
INDONESIA**

**NUMBER 748 YEAR 2021**

**CONCERNING**

**TYPES OF PRODUCTS MANDATORY TO BE HALAL CERTIFIED**

**BY THE GRACE OF GOD ALMIGHTY**

**MINISTER OF RELIGION OF THE REPUBLIC OF INDONESIA,**

Considering : a. that in order to provide guidelines and legal certainty regarding the types of products mandatory to be halal certified and to realize administrative order in the administration of halal product guarantees, it is necessary to determine the types of products mandatory to be halal certified;

b. that the Decree of the Minister of Religion Number 464 of 2020 concerning Types of Products Mandatory to be Halal Certified is no longer in accordance with legal developments so that it needs to be replaced;

c. that based on the considerations as referred to in letters a and b, as well as to implement the provisions of Article 138 paragraph (2) of Government Regulation Number 39 of 2021 concerning the Implementation of the Halal Product Guarantee Sector, it is necessary to stipulate a Decree of the Minister of Religion concerning Types of Products Mandatory to be Halal Certified;

In view of : 1. Law Number 33 of 2014 concerning Guarantee of Halal Products (State Gazette of the Republic of Indonesia of 2014 Number 295, Supplement to the State Gazette of the Republic of Indonesia Number 5604);

2. Law Number 11 of 2020 concerning Job Creation (State Gazette of the Republic of Indonesia of 2020 Number 245, Supplement to the State Gazette of the Republic of Indonesia Number 6573);

3. Government Regulation Number 39 of 2021 concerning the Implementation of the Halal Product Assurance Sector (State Gazette of the Republic of Indonesia of 2021 Number 49, Supplement to the State Gazette of the Republic of Indonesia Number 6651);
4. Presidential Regulation Number 83 of 2015 concerning the Ministry of Religion (State Gazette of the Republic of Indonesia of 2015 Number 168);
5. Regulation of the Minister of Religion Number 42 of 2016 concerning Organization and Work Procedure of the Ministry of Religion (State Gazette of the Republic of Indonesia of 2016 Number 1495);
6. Regulation of the Minister of Religion Number 26 of 2019 concerning the Implementation of Guaranteed Halal Products (State Gazette of the Republic of Indonesia of 2019 Number 1191);

DECIDE:

To Enact : DECREE OF THE MINISTER OF RELIGIOUS AFFAIRS CONCERNING TYPES OF PRODUCTS MANDATORY TO BE HALAL CERTIFIED

FIRST : Determining the Types of Products Mandatory to be Halal Certified as listed in the Appendix which is an integral part of this Decree.

SECOND : The types of products as referred to in the FIRST Dictum are classified based on certain characteristics of each type of product based on the composition of the shrinkage material and/or the production process, including:

- a. food;
- b. drink
- c. drug;
- d. cosmetics;
- e. chemical products;
- f. biological products;
- g. genetically engineered products;
- h. use goods;

- i. slaughtering services;
- j. processing services;
- k. storage services;
- l. packaging services;
- m. distribution services;
- n. sales services; and
- o. serving service

THIRD : Certain characteristics as referred to in the SECOND Dictum serve as guidelines for:

- a. Head of the Halal Product Assurance Organizing Agency, in:
  - 1. determine the type of product for which a business actor must apply for a halal certificate;
  - 2. calculate and determine the halal certification tariff that must be paid by business actors; and
  - 3. issue a halal certificate
- b. Fatwa Commission of the Indonesian Ulema Council, in:
  - 1. determine the type of product to be issued a halal stipulation; and
  - 2. determine the number of halal regulations issued based on the number of types of products registered by business actors.
- c. Halal Inspection Agency, in:
  - 1. know the types and details of the types of products proposed by business actors for inspection and/or testing; and
  - 2. calculate the tariff for the product for which the halal certification is submitted.
- d. Ministries\Agencies, in:
  - 1. knowing the type of product for which a business actor must apply for a halal certificate; and
  - 2. implementation of the halal certification facilitation program for micro and small business actors.

- e. Business Actors and Society, in:
  - 1. know the details of the types of products that are subject to the obligation of halal certification;
  - 2. determine the number of registration forms that must be submitted in accordance with the number of types of products registered; and
  - 3. calculate the amount of financing for halal certification based on the number of types of products registered for halal certification.

FOURTH : Types of products that have not been listed in the Appendix to this Decree or have changed in accordance with the provisions of laws and regulations, can be submitted for a halal certificate application by business actors and the classification of product types will be determined by the Head of the Halal Product Assurance Organizer after coordinating with the relevant ministries/institutions and the Indonesian Ulema Council.

FIFTH : The Head of the Halal Product Assurance Administration is required to include the type of product as referred to in the FOURTH Dictum in the List of Types of Products Mandatory to be Halal Certified on media that can be accessed easily and widely by business actors, halal inspection agencies, and the public.

SIXTH : The list of Types of Products Mandatory to be Halal Certified as referred to in the FIFTH Dictum is determined as a valid document and has binding legal force.

SEVENTH : At the time this Ministerial Decree comes into force, the Decree of the Minister of Religion Number 464 of 2020 concerning Types of Products Mandatory to be Halal Certified, is revoked and declared invalid.

EIGHTH : This Ministerial Decree takes effect January 1, 2022

Decreed in Jakarta

On 29 June 2021

MINISTER OF RELIGIOUS AFFAIRS  
THE REPUBLIC OF INDONESIA,

Signed

YAQUT CHOLIL QOUMAS

APPENDIX  
 DECREE OF MINISTER OF RELIGIOUS AFFAIRS OF THE  
 REPUBLIC OF INDONESIA  
 NUMBER 748 YEAR 2021  
 CONCERNING  
 TYPES OF PRODUCTS MANDATORY TO BE HALAL CERTIFIED

A. FOOD

| No. | Type of Product        | Classification Code | Detail of Product  |
|-----|------------------------|---------------------|--|
| 1.  | Milk and its analogues | 1.1                 | Fermented milk and milk products resulting from enzyme coagulation |
|     |                        |                     | Plain fermented milk   |
|     |                        |                     | Fermented milk or cultured milk                                    |
|     |                        |                     | Fermented milk products without heating                            |
|     |                        |                     | Fermented milk products with heating                               |
|     |                        |                     | Acidified milk   |
|     |                        |                     | Acidophilus milk   |
|     |                        |                     | Colostrum  |
|     |                        |                     | Yogurt   |
|     |                        |                     | Alternate yogurt culture   |
|     |                        |                     | Kefir  |
|     |                        |                     | Kumys  |
|     |                        |                     | Coagulated milk with rennet  |
|     |                        |                     | Fermented milk and other enzyme coagulated milk products           |
|     |                        | 1.2                 | Condensed milk and its analogues                                   |
|     |                        |                     | Condensed milk   |
|     |                        |                     | Evaporated milk  |
|     |                        |                     | Milk sterilization   |
|     |                        |                     | UHT milk   |
|     |                        |                     | Pasteurized Milk   |

| No. | Type of Product | Classification Code | Detail of Product   |
|-----|-----------------|---------------------|---|
|     |                 |                     | Probiotic milk  |
|     |                 |                     | Sour milk   |
|     |                 |                     | Evaporated skimmed milk   |
|     |                 |                     | Partially evaporated skimmed milk   |

|     |                  | 1.11                | Nucleic acids         |
|     |                  | 1.12                | Microbial culture     |
|     |                  |                     |                       |

| No. | Type of Product | Classification Code   | Detail of Product                      |
|-----|-----------------|---|--|
|     |                 |   | Dry bread yeast                        |
|     |                 |   | Semi-dry bread yeas                    |
|     |                 |   | Cream yeast                            |
|     |                 |   | Compressed yeast                       |
|     |                 |   | Koji or tauco yeast or soy sauce yeast |
|     |                 | 1.13  | Recombinant DNA                        |
|     |                 | 1.14  | Other biological products              |
|     |                 | Details of type of product 1.1 to 1.14 only related to foods, beverages, drugs or cosmetics |  |

#### G. Genetically Modified Products

| No. | Type of Product               | Classification Code  | Detail of Product                                    |
|-----|-------------------------------|--|--|
| 1.  | Genetically modified products | 1.1  | Recombinant DNA products                             |
|     |                               | 1.2  | Stem cell transplant                                 |
|     |                               | 1.3  | Core transplant (cloning products)                   |
|     |                               | 1.4  | Hybridoma technology products (cell fusion products) |
|     |                               | 1.5  | Plasmid technology products                          |
|     |                               | 1.6  | Other genetically modified products                  |
|     |                               | Details of type of product 1.1 to 1.6 only related to foods, beverages, drugs or cosmetics |  |

#### H. Use Goods

| No. | Type of Product | Classification Code | Detail of Product |
|-----|-----------------|---------------------|-------------------|
| 1.  | Clothing        | 1.1                 | Clothes           |
|     |                 | 1.2                 | Under wear        |
|     |                 | 1.3                 | socks             |
|     |                 | 1.4                 | jackets           |
|     |                 | 1.5                 | Other clothing    |
|     | Head wear       | 2.1                 | Peci (cap)        |

| No. | Type of Product           | Classification Code | Detail of Product                       |
|-----|---------------------------|---------------------|---|
| 2.  |                           | 2.2                 | Cap                                     |
